September 28, 1999

The pre-emption issue in *Geier* "has been around for a long, long time," says Roy Englert, of the Washington, D.C., office of Chicago's Mayer, Brown & Platt, which will be assisting Honda in the Supreme Court. "It has been terribly controversial. Trial Lawyers for Public Justice and Public Citizen [Litigation Group] have been unflagging in their devotion to the issue."
