

***Washingtonian* Magazine Names Five RREOUS Lawyers as the "Best of Washington"**

Robbins, Russell, Englert, Orseck, Untereiner & Sauber LLP is pleased to announce that five of its lawyers were recently recognized by *Washingtonian* magazine as "top lawyers" in their areas of expertise. The magazine's December issue listed the "Best of Washington" -- the top 1 percent -- in a number of legal specialties. *Washingtonian's* list was compiled based on a survey of leading attorneys, as well as the magazine's interviews with clients, judges and others. The magazine designated Robbins Russell partners Larry Robbins, Dick Sauber, Greg Poe, and Mike Waldman as among the best criminal lawyers in the Washington area, and Roy Englert and Larry Robbins were identified as top lawyers for appeals to the U.S. Supreme Court.
